### President's Notes

Many of you may know by now that Ms. Lorance (middle school teacher) was recently in an accident while riding her horse. She was thrown from her horse and fractured her neck in three places as well as injuring her left hand. The good news is she has no paralysis and no life threatening injuries and will be returning to school at some point next quarter on a modified schedule. Our hearts and healing thoughts go out to her and we hope she has a speedy recovery.
